Asia/Pacific Cultural Centre for UNESCO (ACCU)

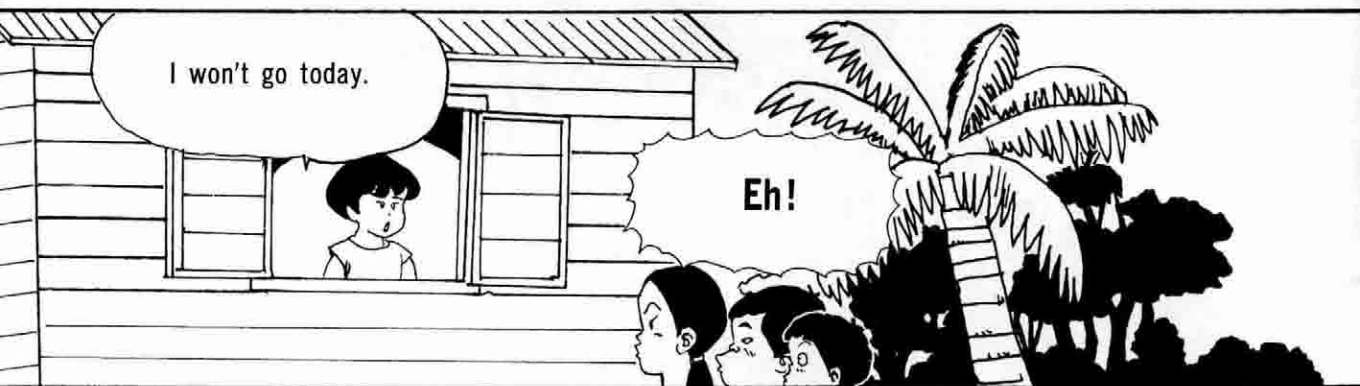

It's the village festival today.

The festival is starting!

Let's go to the festival. Hurry up!

Mari!
Mari!

I won't go today.

Eh!

Why, Mari, the festival is a lot of fun.

There'll be a slide show in the evening, too.

There are stalls selling all sorts of things.

No. I don't want to go. You go ahead.
