

I don't want to go anywhere!

Bang!!

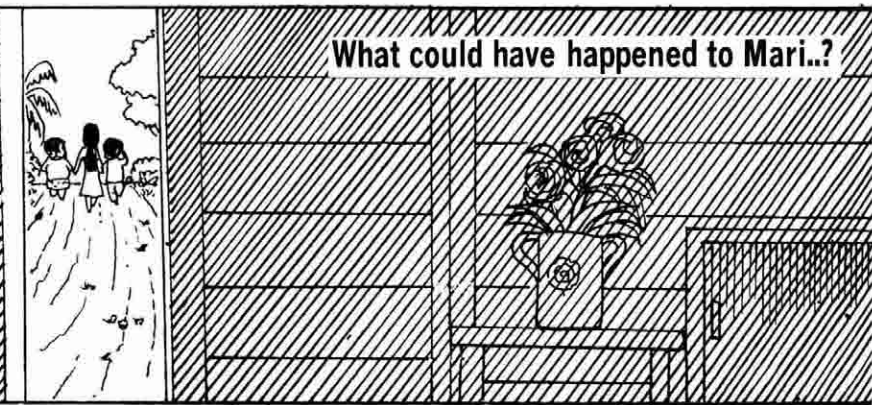

What's the matter... She was very much looking forward to the festival...

Seems very strange to behave like that, she's always so light-hearted.

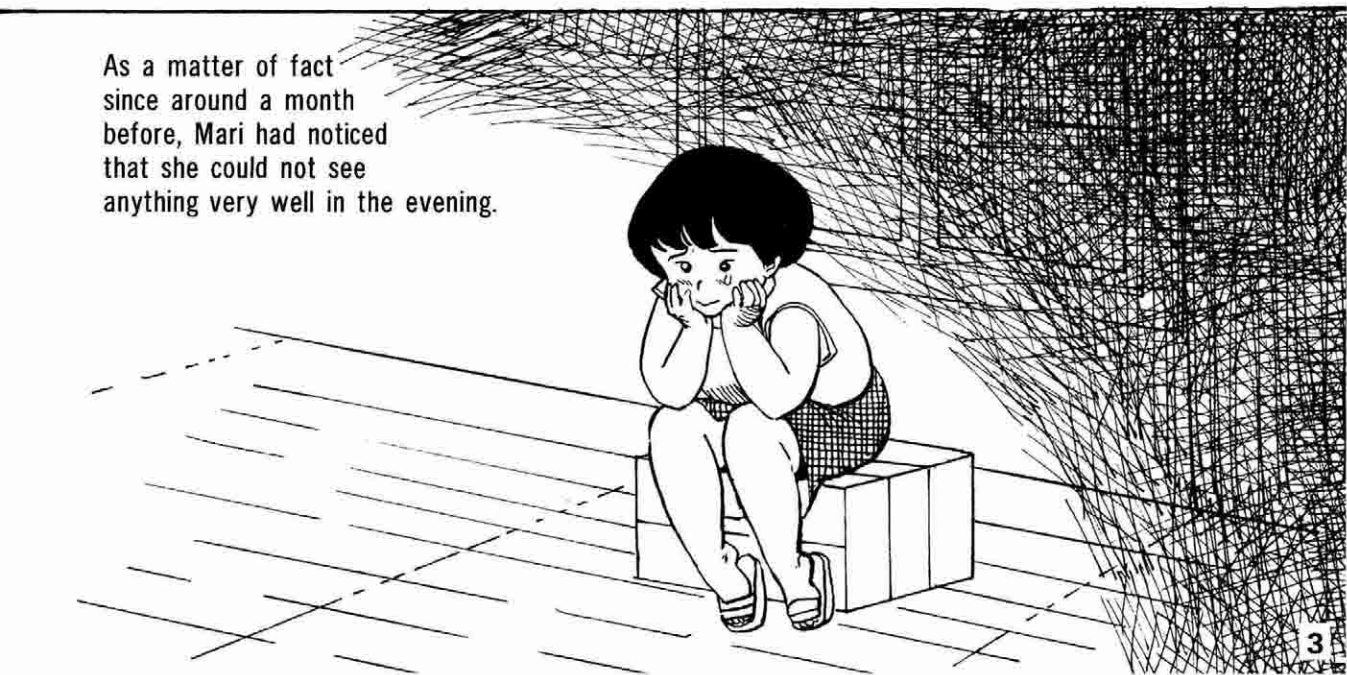

O.K. O.K! Let's go to the festival by ourselves

I wish I could go with them.

What could have happened to Mari..?

As a matter of fact since around a month before, Mari had noticed that she could not see anything very well in the evening.
