

Oh! Mari!
What's the
matter with
you?

Nothing...

You look unhappy,
my dear. If you
have some troubles,
tell Mum, Mari.

It's nothing...

Well, come to the
dining room right away
and let's have supper,
together.

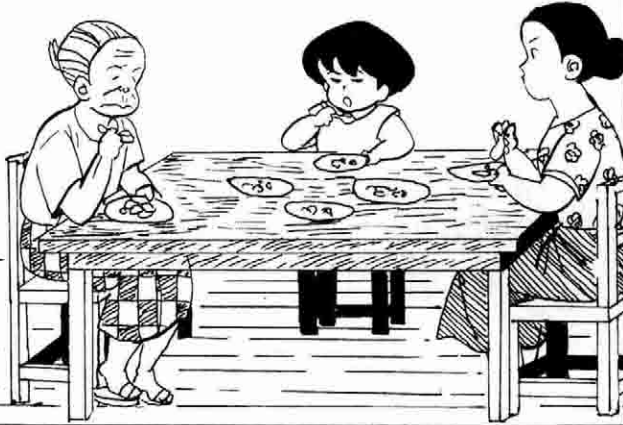

All right...

I'm afraid
of not seeing
very well...

Mari's father, brother and sister have gone to the festival.
It's such a lonesome supper with only Mum and Grandma.

You seem really miserable, my dear. Tell me why, Mari.

Oh, Mari!
You've left your vegetables again!
Don't be so fussy about what you eat.

Because...
I don't like it...

Mari only had rice, fish curry and rice cake for dessert.

Such a lot of food is left over.
