

The next morning

Hello, Mari.

Hi.

It's a shame that you couldn't come to the festival last night.

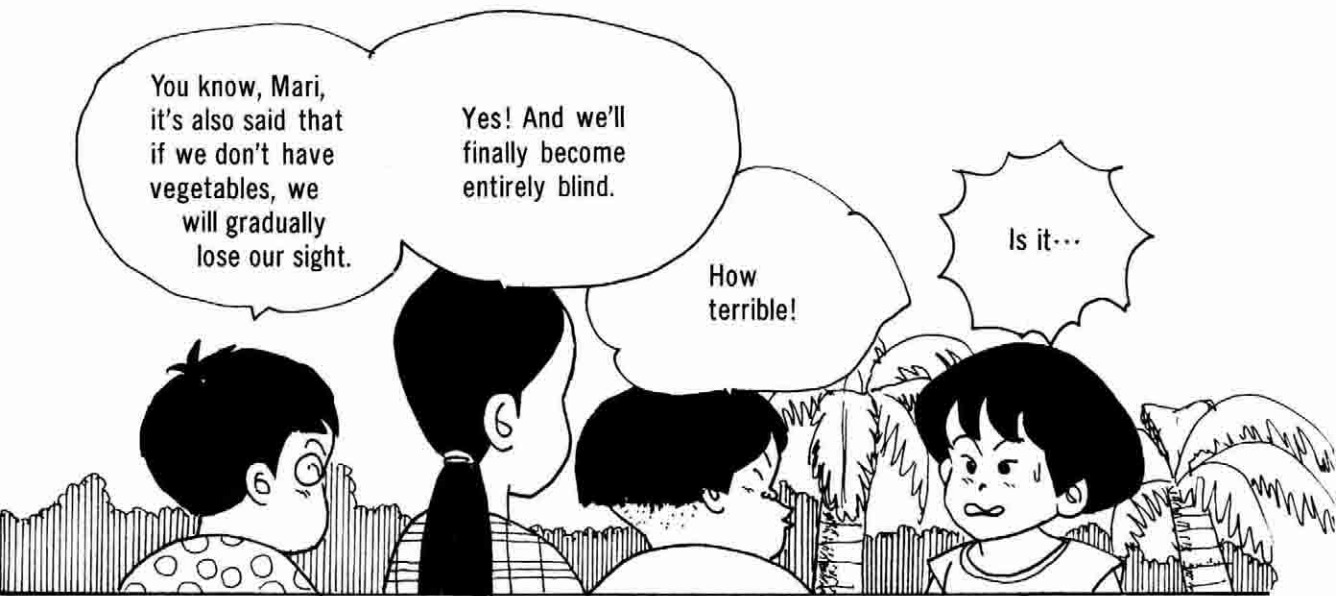

There was an interesting slide show after sunset.

What did you see in the slide show?

It was a story about nutrition.

It's said that a well-balanced meal's very important.

You know, Mari,  
it's also said that  
if we don't have  
vegetables, we  
will gradually  
lose our sight.

Yes! And we'll  
finally become  
entirely blind.

How  
terrible!

Is it...

Really...!?

Say!!  
Tell me  
exactly!

Oh!

I'll tell you.  
So calm down  
and listen to me.
