

BAMBOO HANDICRAFTS

for additional income

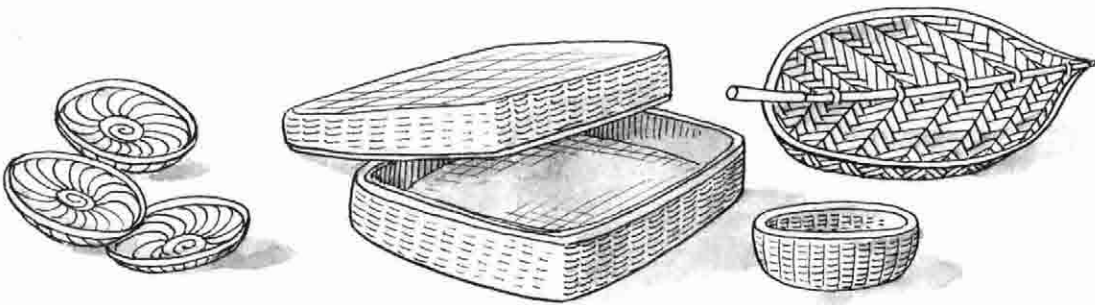

Asian Cultural Centre for Unesco (ACCU)

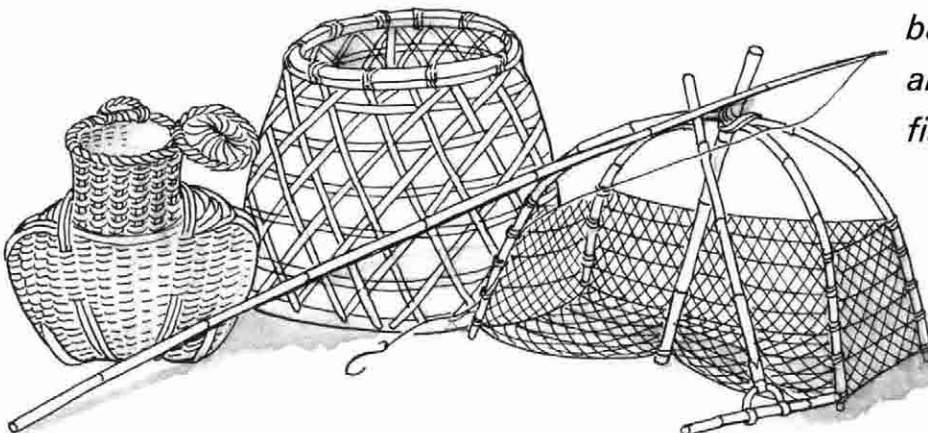

Is there bamboo growing in your village? Bamboo is very useful material. From bamboo we can make tools, containers, and other things to use in everyday life. By using these items, our lives can become easier, happier, and more abundant. Also, selling bamboo products can be a source of extra income. Let's use bamboo and make many kinds of things.

Bamboo crafts

...for indoor use
tableware, etc.

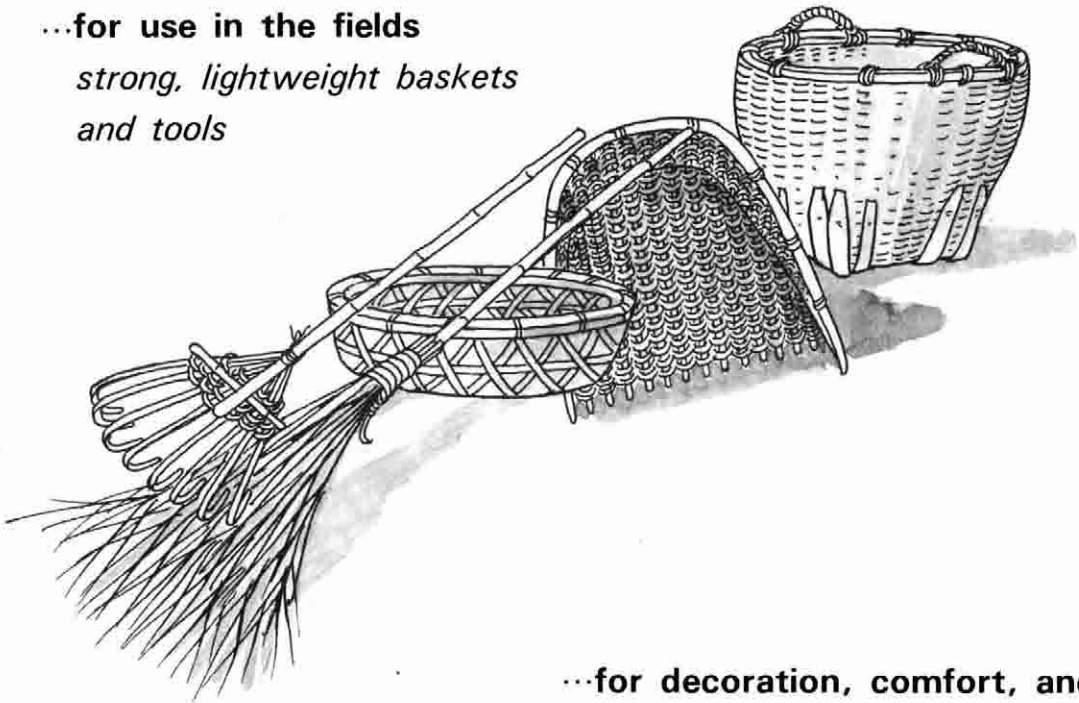

...for fishing and
trapping
*basket traps
and
