

I'll explain in more detail...

The trees we planted can be divided into seven kinds according to their purpose.

## 1. Fruit trees

## 2. Medicinal trees

## 3. Spice trees

## 4. Fodder trees

## 5. Industrial trees

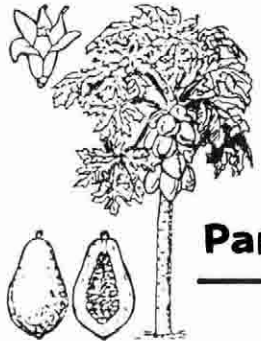

## 6. Fuel trees

## 7. Timber trees

Oh, there are so different kinds of trees!

Time Required for Growth Use	one year	three years	five years
<b>1. Fruit</b> 	<p><b>Banana</b></p>  <p><b>Papaya</b></p> 		<p><b>Coconut</b></p> <p><b>Mango</b></p> 
<b>2. Medicinal</b> 		<p><b>Pomegranate</b></p> 	
<b>3. Spices</b> 		<p><b>Pepper</b></p>  <p><b>Clove</b></p> 	<p><b>Cinnamon</b></p> 
<b>4. Fodder</b> 			<p><b>Mangrove</b></p>
